About Sunshine Group

Sunshine Group is a North India based diversified conglomerate with a strong foothold across various industries, including construction materials, manufacturing, and essential commodities. With a commitment to quality and customer satisfaction, Sunshine Group has established itself as a trusted name in the industry. The Group operates across four main business divisions, each catering to specific industry demands with a focus on sustainable and efficient operations.

Our Group Companies

Sunshine Ready Mix & Sunshine Ready Mix India

The RMC division specializes in producing and delivering high-quality ready mix concrete for commercial and residential construction projects. Equipped

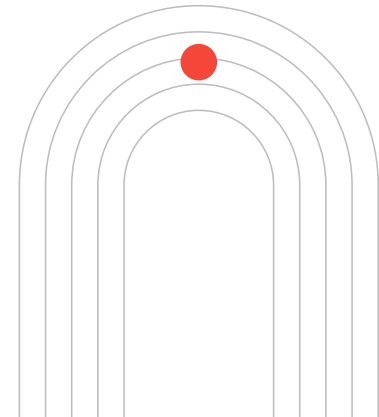

with state-of-the-art batching plants and a fleet of transit mixers, Sunshine Group ensures timely delivery and consistent quality. This division serves a wide range of clients, including infrastructure developers, builders, and contractors. Currently we are having RMC plants in Gurugram & Noida and also exploring new opportunities in other locations.

Core **Services**

- o Customizable concrete mixes
- o On-time delivery with an extensive logistics network
- o Quality control with rigorous testing standards

Key **Strengths**

- o Advanced production technology
- o Environmentally-friendly practices
- o Trained technical staff for on-site assistance

Our Group Companies

Sunshine Infra Solutions Pvt. Ltd.

Material Supply Division

This division sources, processes, and supplies a variety of stone aggregates, sand, and MEP (Mechanical, Electrical, and Plumbing) materials, all of which are crucial for the construction industry. By operating its own quarries, processing facilities, and partnerships with reliable MEP manufacturers, Sunshine Group ensures that clients receive consistent, high-quality materials in compliance with industry standards.

Core Products

- o Crushed stone aggregates (6mm/ 10mm/ 20mm/ 40mm/ 65mm/ 90mm)
- o Fine sand and river sand
- o TMT Steel, Cement (OPC/ PPC), Construction Chemicals, Walling Solutions
- o Electrical, Plumbing and Fire Materials

Key Strengths

- o Strong supply chain network (Across Pan India)
- o Quality assurance for grading and durability
- o Environmentally responsible sourcing

Our Group Companies

Sunshine Prime Projects LLP & Goyal Real Estate

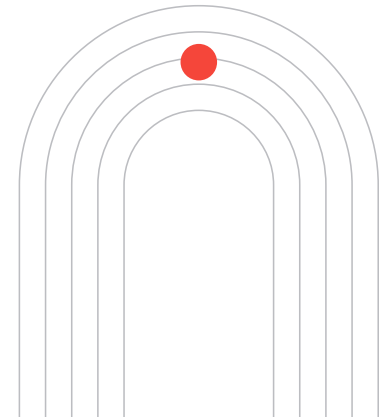

The Construction Division is dedicated to delivering comprehensive building solutions for infrastructure, commercial, and residential projects. This division leverages the Group's in-house materials and technical expertise to complete projects on time and within budget, while maintaining high safety and quality standards.

Core **Services**

- o Project management and site planning
- o Residential and commercial construction
- o Infrastructure development, including roads, bridges, and urban projects

Key **Strengths**

- o Expertise in project planning and execution
- o Strong safety and quality protocols

Our Group Companies

Shiva Foods - Mustard Oil Manufacturing Business

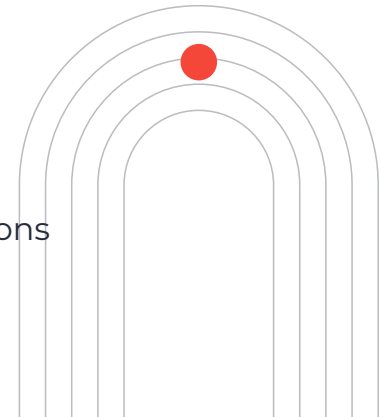

In its venture into essential commodities, Sunshine Group's Mustard Oil Manufacturing division produces pure and nutritious mustard oil, catering to both B2B and B2C markets. The division uses traditional processing methods enhanced by modern technology to retain the oil's natural qualities, ensuring a healthy and tasty product for consumers.

Core **Services**

- o Cold-pressed mustard oil for retail
- o Bulk supply of mustard oil for food processing units and industries

Key **Strengths**

- o Focus on purity and quality
- o Compliance with food safety standards
- o Distribution network covering multiple regions
